

DIT-022

## Mathematical Foundations for Software Engineering

# Organizational Matters

Reminder

- Exercises:
  - Help to deepen the knowledge from the in-class sessions and video lectures
  - Multiple-choice exercises with various levels of difficulty
  - To be submitted via Canvas
  - May contain bonus questions
- 3 Assignments – **mandatory**:
  - 1 ECTS per successfully passed assignment
  - Group work up to three persons is allowed (though, individual submissions are required!)
- Written exam:
  - 4.5 ECTS
  - Up to 10% of points can be substituted with correctly completed bonus questions from exercises
- Further details are available in the CoursePM document available on Canvas: <https://gu.instructure.com/courses/36697>

# Written Examination

- **October 27, 2020 – 2-6pm** (cf. [https://studentportal.gu.se/digitalAssets/1777/1777460\\_tentamensperiod-1--2020--200902.pdf](https://studentportal.gu.se/digitalAssets/1777/1777460_tentamensperiod-1--2020--200902.pdf))
- Sign-up period: August 31 – **October 11, 2020** (Cf. <https://studentportal.gu.se/minastudier/cse/tentamen?skipSSOCheck=true>)
- 4.5 ECTS
- **Will take place online via Canvas**
- The written exam is passed when at least 50% of the provided answers are correct.
- A pass with honor is given for the entire course if at least 50% of all three assignments are correct and at least 90% of the answers in the written exam are correct as well.

# Written Examination

- **October 27, 2020 – 2-6pm** (cf. [https://studentportal.gu.se/digitalAssets/1777/1777460\\_tentamensperiod-1--2020--200902.pdf](https://studentportal.gu.se/digitalAssets/1777/1777460_tentamensperiod-1--2020--200902.pdf))
- Sign-up period: August 31 – **October 11, 2020** (Cf. <https://studentportal.gu.se/minastudier/cse/tentamen?skipSSOCheck=true>)
- 4.5 ECTS
- **Will take place online via Canvas**
- Allowed supportive materials:
  - Calculators: Casio FX-82..., Texas TI-30... and Sharp EL-W531...
  - Attached appendix with formulas and tables.

# Written Examination

- **October 27, 2020 – 2-6pm** (cf. [https://studentportal.gu.se/digitalAssets/1777/1777460\\_tentamensperiod-1--2020--200902.pdf](https://studentportal.gu.se/digitalAssets/1777/1777460_tentamensperiod-1--2020--200902.pdf))
- Sign-up period: August 31 – **October 11, 2020** (Cf. <https://studentportal.gu.se/minastudier/cse/tentamen?skipSSOCheck=true>)
- 4.5 ECTS
- **Will take place online via Canvas**
- Allowed supportive materials:
  - Calculators: Casio 12-6... Texas TI-30... and Sharp EL-W531...
  - Attached appendix with formula and tables.

# Written Examination

- **October 27, 2020 – 2-6pm** (cf. [https://studentportal.gu.se/digitalAssets/1777/1777460\\_tentamensperiod-1--2020--200902.pdf](https://studentportal.gu.se/digitalAssets/1777/1777460_tentamensperiod-1--2020--200902.pdf))
- Sign-up period: August 31 – **October 11, 2020** (Cf. <https://studentportal.gu.se/minastudier/cse/tentamen?skipSSOCheck=true>)
- 4.5 ECTS
- **Will take place online via Canvas**
- **The quiz can only be submitted once!**
- The scores, which are shown from Canvas after your submission, do not reflect the final points for this examination as there may be questions, where you need to upload a file (e.g., PDF).

# Written Examination

- **October 27, 2020 – 2-6pm** (cf. [https://studentportal.gu.se/digitalAssets/1777/1777460\\_tentamensperiod-1--2020--200902.pdf](https://studentportal.gu.se/digitalAssets/1777/1777460_tentamensperiod-1--2020--200902.pdf))
- Sign-up period: August 31 – **October 11, 2020** (Cf. <https://studentportal.gu.se/minastudier/cse/tentamen?skipSSOCheck=true>)
- 4.5 ECTS
- **Will take place online via Canvas**
- Two "virtual hall-visits" will be offered via Zoom during the examination where you can connect to in case you have questions regarding **clarification** of a question.

# Re-examination

- A 4h timeslot in the period 2021-01-04 – 2021-01-07;  
**unknown at this point in time** (cf.  
<https://studentportal.gu.se/minastudier/cse/tentamen?skipSOCheck=true>)
- Re-submission opportunities for missing or failed assignments will open in later fall; please check Canvas for announcements
- Are my bonus points also valid for a re-examination?
- See CoursePM: A student can use the gathered bonus points up to the third examination offered for a year's DIT-022 course (example: if a student fails the first examination opportunity, the gathered bonus points can still be used for the second examination opportunity; if the student is failing also the second examination opportunity, the student can use the gathered bonus points for the third examination opportunity for the last time).
